

Announcement

10/15/07

1. Midterm schedule

- Live class and media center students will take their midterm in class on 10/29/07 at Studio #1 (IS 101).
- Remote FEEDS students will take their midterm no later than 11/5/05, assuming there will be a proctor available on their individual site to administer the exam. Please contact our FEEDS office should you have question about having a proctor for your exam.

2. More on midterm

- It will be an OPEN textbook, but CLOSED notes exam.
- Preparation scope: Chapters 2-5 of your textbook, lecture notes, and homework assignments 1-2, and exercise 1.
- There will be a review session for your midterm on 10/24/07.
