Re: Invitation to IFEES Global Engineering Education Summit - September 30, 2007

Dear Invited Panelist:

As Chairs of the *First IFEES Global Engineering Education Summit*, we would be honored if you would accept our invitation to be part of the IFEES Summit program. The Summit will be held on September 30, 2007 in Istanbul, Turkey, hosted by Boğaziçi University and the Turkey Dean's Council, the day prior to the ASEE Global Colloquium. The IFEES web page is at <http://www.ifees.net/>, and the most current program, assuming you accept, can be found at <http://www.cse.fau.edu/~maria/IFEES/Summit/Program.htm>). The moderator of the Industry Panel, Lueny Morell of HP, will be contacting you with more details regarding the format. If you accept, please send your photo and short bio to ifees@cse.fau.edu as soon as possible.

ASEE has obtained special rates at Conrad Hilton and Hilton Park SA hotels. To access special rates follow instructions at: <http://www.asee.org/conferences/international/2007/Housing.cfm>. Transportation will be provided from the Conrad Hilton Hotel to and from the IFEES Summit at Boğaziçi University. Buses will leave the Conrad Hilton Lobby at 8am, and the function will begin at 8:30 am at the Assembly Hall in Albert Long Hall, South Campus of Boğaziçi University. You are invited to join us for lunch in the gardens of the Kennedy Lodge, a short walking distance from the Assembly Hall. After lunch, the Summit resumes in the Vedat Yerlici Engineering Conference Center on the top floor of the Engineering Building, a short walk from the Kennedy Lodge. You are also invited to a cocktail and dinner at the Alumni Club. Please also RSVP by registering so that we can have your name tag and an accurate count for transportation and meals:
